A LETTER FROM YOUR HOA PRESIDENT

Dear Lotus Homeowners,

Happy Summer! The community is looking great as we continue to work on the construction operation here on site. We currently have over 200 homes under construction and are continuing to close approximately 20 new homeowners per month. There are now over 565 closed homes here in the neighborhood which puts us at 70% closed! As a

reminder, the community will turnover, and an election will occur when we hit 90% closed. We are projecting this to be towards the end of this year or early 2023.

Thank you all for your continued participation in the community events! We love seeing everyone come out and meet their neighbors! This is the best way for the community to grow! Please be sure to join the Facebook page, follow us on Instagram and check your emails for the most up to date social activities occurring in the neighborhood!

Thank you all again for your continued support of our beautiful community! I hope everyone has a wonderful summer! Stay cool!

All my best,

KARA BABCOCK

Project Manager and HOA President

RACQUET CLUB

FROM YOUR **DIRECTOR OF RACQUETS**

Dear Residents,

I continue to be honored and excited to be your director of the fantastic Lotus Racquet Club. I am in awe of the passion and participation of the residents supporting and creating a racquet club community that is top notch. Special events, juniors, clinics, round robins, and much more have filled the courts this past season.

The Winter/Spring season has now concluded, and the development and improvements of the Lotus players has been tremendous culminating in great results in all local leagues. Our community actively participated in both tennis and pickleball leagues with great results. The Pickleball Women's Dink Masters team ended the season with a bang beating Woodfield Country Club in a breathtaking final by just 1 point to be crowned the champions. Congratulations to our Lotus ladies!

The men of Lotus continue to compete in the Thursday night Palm Tennis League. Competing against nine other area clubs, the men have enjoyed the camaraderie and competition.

South Palm Beach County Women's Tennis Association leagues felt the impact of our Lotus teams competing for the first time. These ladies competed in one of the most prestigious leagues in the country with 10 different levels and thousands of women participating weekly. The ladies of Lotus received 2 trophies in an amazing sold-out awards ceremony hosted by the Polo Club. Every tennis club and country club in South Florida plays in this league and typically it takes years to establish a presence. Kudos to the ladies of Lotus establishing themselves their first year of competing!

Now is the time to get involved in league play. Fall is fast approaching, and we strongly encourage all residents interested in being a part of this wonderful team atmosphere to reach out. Contact proshop@Lotusracquetclub.com for information and to register.

Junior players concluded their last teaching cycle of the season and with the guidance of our USPTA coaches, our young talents are developing great stroke production and footwork agility. These skills will continue to grow and will provide them with the foundation to play tennis for a lifetime. Thank you, parents, for committing to our program and giving us the opportunity to work with your child. Seeing the children fill the beautiful courts every afternoon and acquiring new skills learning a lifetime sport defines the Lotus tennis program philosophy.

Summer is here with new programs open to all ages and levels. Due to high demand, we have added both Tennis and Pickleball night programs. All clinics focus on high intensity drills and stroke production as well as always offering a great fun environment for our families. Check out the new summer schedule available on the website www.lotusracquetclub.com or download the Playbycourt app available on the Appstore.

The staff continues to enjoy meeting new residents and can't wait to see many more new faces hit the courts this summer. Lotus Racquet Club has something for everyone regardless of age and/or level. All staff is professionally certified and eager to help you with your game. We specialize in customized packages focusing on your convenience and needs. Check out the website www.LotusRacquetClub.com for information regarding lessons, clinics, events, and much more. We are looking forward to a fun and productive Summer. If you have any questions, please email director@lotusracquetclub.com

The Lotus Pro staff can't wait to see you on the courts!
