BUILDING AND PERSONAL PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H., Definitions.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, **A.1.**, and limited in **A.2.**, Property Not Covered, if a Limit of Insurance is shown in the Declarations for that type of property.

a. **Building**, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery and
 - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a) Fire-extinguishing equipment;
 - (b) Outdoor furniture;
 - (c) Floor coverings; and
 - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;
- (5) If not covered by other insurance:
 - (a) Additions under construction, alterations and repairs to the building or structure;

- (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure.

b. **Your Business Personal Property** located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises, consisting of the following unless otherwise specified in the Declarations or on the Your Business Personal Property – Separation Of Coverage form:

- (1) Furniture and fixtures;
- (2) Machinery and equipment;
- (3) "Stock";
- (4) All other personal property owned by you and used in your business;
- (5) Labor, materials or services furnished or arranged by you on personal property of others;
- (6) Your use interest as tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
 - (a) Made a part of the building or structure you occupy but do not own; and
 - (b) You acquired or made at your expense but cannot legally remove;
- (7) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

c. Personal Property Of Others that is:

- (1) In your care, custody or control; and
- (2) Located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
 - (1) The lowest basement floor; or
 - (2) The surface of the ground, if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns;
 - i. Personal property while airborne or waterborne;
 - j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, n., does not apply to your "stock" of prepackaged software;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;
- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
- (c) Rowboats or canoes out of water at the described premises; or
- (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers;

q. The following property while outside of buildings:

- (1) Grain, hay, straw or other crops;
- (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than "stock" of trees, shrubs or plants), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss Form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

(1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

(2) Debris Removal does not apply to costs to:

- (a) Extract "pollutants" from land or water; or
- (b) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph (4), the following provisions apply:

- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
- (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

(4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

EXAMPLE #1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 - \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

EXAMPLE #2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 - \$500)
Debris Removal Expense:	\$ 30,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: $\$80,000 (\$79,500 + \$500) \times .25 = \$20,000$; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense ($\$79,500 + \$30,000 = \$109,500$) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000, unless a higher limit is shown in the Declarations, for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in e.(3) through e.(9) of this Additional Coverage.
- (3) The ordinance or law referred to in e.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.

(4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

- (a) You were required to comply with before the loss, even when the building was undamaged; and
- (b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

- (a) The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
- (b) Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of: \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and

(ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

(b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.

(c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.

(8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment and Valuation Conditions, and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

(1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data.

(2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.
 - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
 - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
 - (i) Similar use as the building described in the Declarations; or
 - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:
 - (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions;
 - (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations; or
 - (iii) Business personal property that you newly acquire, located at the described premises.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

(b) This Extension does not apply to:

- (i)** Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii)** Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance on or at each newly acquired or constructed property, coverage will end when any of the following first occurs:

- (a)** This policy expires;
- (b)** 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c)** You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1)** Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2)** Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1)** You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2)** If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.
- (3)** If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4)** Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.

d. Property Off-premises

- (1)** You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a)** Temporarily at a location you do not own, lease or operate;
 - (b)** In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c)** At any fair, trade show or exhibition.

(2) This Extension does not apply to property:

(a) In or on a vehicle; or

(b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.

(3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than "stock" of trees, shrubs or plants), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

(1) Fire;

(2) Lightning;

(3) Explosion;

(4) Riot or Civil Commotion; or

(5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

f. Non-owned Detached Trailers

(1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:

(a) The trailer is used in your business;

(b) The trailer is in your care, custody or control at the premises described in the Declarations; and

(c) You have a contractual responsibility to pay for loss or damage to the trailer.

(2) We will not pay for any loss or damage that occurs:

(a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;

(b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.

(3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.

(4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss Form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;

2. Pollutant Clean-up And Removal;

3. Increased Cost Of Construction; and

4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

EXAMPLE #1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building #1:	\$ 60,000
Limit of Insurance – Building #2:	\$ 80,000
Loss to Building #1:	\$ 60,100
Loss to Building #2:	\$ 90,000

The amount of loss to Building #1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building #1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building #1:

\$ 60,100
– 250
\$ 59,850 Loss Payable – Building #1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building #2. Loss payable for Building #2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

\$59,850 + \$80,000 = \$139,850

EXAMPLE #2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example #1.

Loss to Building #1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building #2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building #1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building #2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:
 - (1) Notify the police if a law may have been broken.
 - (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
 - (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
 - (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (8) Cooperate with us in the investigation or settlement of the claim.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.
- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description Of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:
- (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.
- (b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:
- (i) Rented to a lessee or sub-lessee and used by the lessee or sub-lessee to conduct its customary operations; and/or
- (ii) Used by the building owner to conduct customary operations.
- (2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:
- (a) Vandalism;
- (b) Sprinkler leakage, unless you have protected the system against freezing;
- (c) Building glass breakage;
- (d) Water damage;
- (e) Theft; or
- (f) Attempted theft.
- (2) With respect to Covered Causes of Loss other than those listed in b.(1)(a) through b.(1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At actual cash value as of the time of loss or damage, except as provided in b., c., d. and e. below.
- b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value even when attached to the building:

- (1) Awnings or floor coverings;
 - (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
 - (3) Outdoor equipment or furniture.
- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- d. Glass at the cost of replacement with safety-glazing material if required by law.
- e. Tenants' Improvements and Betterments at:
- (1) Actual cash value of the lost or damaged property if you make repairs promptly.
 - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
 - (3) Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies.

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

EXAMPLE #1 (UNDERINSURANCE)

When:	The value of the property is:	\$250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$100,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

EXAMPLE #2 (ADEQUATE INSURANCE)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 200,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

The minimum amount of insurance to meet your Co-insurance requirement is \$200,000 (\$250,000 x 80%). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b.** If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

EXAMPLE #3

When:	The value of the property is:	
	Building at Location #1:	\$ 75,000
	Building at Location #2:	\$ 100,000
	Personal Property at Location #2:	\$ 75,000
		<u>\$ 250,000</u>
	The Coinsurance percentage for it is:	90%
	The Limit of Insurance for Buildings and Personal Property at Locations #1 and #2 is:	\$ 180,000
	The Deductible is:	\$ 1,000
	The amount of loss is:	
	Building at Location #2:	\$ 30,000
	Personal Property at Location #2:	\$ 20,000
		<u>\$ 50,000</u>

Step (1): $\$250,000 \times 90\% = \$225,000$
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a.** The term mortgageholder includes trustee.
- b.** We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c.** The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d.** If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

- (1)** Pays any premium due under this Coverage Part at our request if you have failed to do so;
- (2)** Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3)** Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e.** If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
- (1)** The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
- (2)** The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f.** If we cancel this policy, we will give written notice to the mortgageholder at least:
- (1)** 10 days before the effective date of cancellation if we cancel for your non-payment of premium; or
- (2)** 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.
- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applied will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

EXAMPLE

If: The applicable Limit of Insurance is: \$100,000
 The annual percentage increase is: 8%
 The number of days since the beginning of the policy year (or last policy change) is: 146
 The amount of increase is:
 $\$100,000 \times .08 \times 146 \div 365 = \$ 3,200$

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence;
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or
 - (4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in **d.(1)** and **d.(2)** above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and
- (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of **(1)**, **(2)** or **(3)**, subject to **f.** below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.
- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

This exclusion does not apply:

1. When "fungus", wet or dry rot or bacteria results from fire or lightning; or
2. To the extent that coverage is provided in the Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria with respect to loss or damage by a cause of loss other than fire or lightning.

Exclusions **B.1.a.** through **B.1.h.** apply whether or not the loss event results in widespread damage or affects a substantial area.

- e. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. We will also pay for loss or damage caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

 - (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
 - d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

 - (1) Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or

 - e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.
 - f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:

This limitation, **C.3.**, does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:

- a. Results in discharge of any substance from an automatic fire protection system; or
- b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage – Collapse applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

- 1. For the purpose of this Additional Coverage – Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.
- 2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

- a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
 - (1) A cause of loss listed in **2.a.** or **2.b.**;
 - (2) One or more of the "specified causes of loss";
 - (3) Breakage of building glass;
 - (4) Weight of people or personal property; or
 - (5) Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does **not** apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;
- b. A part of a building that is standing, even if it has separated from another part of the building; or

4. With respect to the following property:

- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;
- b. Awnings, gutters and downspouts;

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
- b. The personal property which collapses is inside a building; and
- c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage – Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
7. This Additional Coverage – Collapse will not increase the Limits of Insurance provided in this Coverage Part.
8. The term Covered Cause of Loss includes the Additional Coverage – Collapse as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria is the result of one or more of the following causes that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
 - a. A "specified cause of loss" other than fire or lightning; or
 - b. Flood, if the Flood Coverage Endorsement applies to the affected premises.
2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss Form or under the Additional Coverage - Collapse.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form.

- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. - b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension, **F.3.**, does not increase the Limit of Insurance.

- c.** Water damage means accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

WATER EXCLUSION ENDORSEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART
STANDARD PROPERTY POLICY

A. The exclusion in Paragraph **B.** replaces the **Water** Exclusion in this Coverage Part or Policy.

B. Water

1. Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);

This exclusion applies regardless of whether any of the above, in Paragraphs **1.** through **5.**, is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs **1.** through **5.**, results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

F. Cancellation

1. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.
2. Cancellation For Policies In Effect 90 Days Or Less
 - a. If this policy has been in effect for 90 days or less, we may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, accompanied by the specific reasons for cancellation, at least:
 - (1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

3. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.

4. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
5. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.
6. If notice is mailed, proof of mailing will be sufficient proof of notice.

 - a. If this policy has been in effect for more than 90 days, we may cancel this policy only for one or more of the following reasons:

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

FLORIDA CHANGES

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART
CAUSES OF LOSS - BASIC FORM
CAUSES OF LOSS - BROAD FORM
CAUSES OF LOSS - SPECIAL FORM
COMMERCIAL PROPERTY CONDITIONS
COMMON POLICY CONDITIONS

A. Paragraph A.2.b., Property Not Covered is replaced with the following:

b. Animals.

B. The following is added to A.2. Property Not Covered:

“Drone”.

C. The following is added to A.4. Additional Coverages:

Reasonable Emergency Measures

1. We will pay up to \$3,000 for the reasonable costs incurred by you for necessary measures taken solely to protect Covered Property from further damage when the damage or loss is caused by a Covered Cause of Loss.

2. We will not pay more than the amount in 1. above, unless we provide you approval within 48 hours of your request to us to exceed the limit in 1. above. In such circumstance, we will pay only up to the additional amount for the measures we authorize.

If we fail to respond to you within 48 hours of your request to us and the damage or loss is caused by a Covered Cause of Loss, you may exceed the amount in 1. above only up to the cost incurred by you for the reasonable emergency measures necessary to protect the Covered Property from further damage.

3. If however, a covered loss occurs during a hurricane or other named storm, the amount we pay under this additional coverage is not limited to the amount in 1. above.

4. A reasonable measure under this Additional Coverage, Reasonable Emergency Measures, may include a permanent repair when necessary to protect the Covered Property from further damage or to prevent unwanted entry to the property. To the degree reasonably possible, the damaged property must be retained for us to inspect.

5. This coverage does not:

a. Increase the Limits Of Insurance provided in this policy;

b. Relieve you of your duties, in case of a loss to Covered Property, as set forth in Loss Condition 3. Duties In The Event Of Loss Or Damage; or

c. Pay for property not covered, or for repairs resulting from a cause of loss that is not a Covered Cause of Loss, or for loss excluded in this policy.

D. Paragraph B.1.b. Earth Movement, Exclusion is replaced by the following exclusion:

b. Earth Movement, meaning

(1) Earthquake, including land shock waves or tremors before, during or after a volcanic eruption;

(2) Landslide;

(3) Mine subsidence;

(4) Mudflow;

(5) Earth sinking, rising or shifting;

(6) Clay shrinkage or other expansion or contraction of soils or organic materials;

(7) Decay of buried or organic materials, construction debris, or fill;

(8) Settling, cracking or expansion of foundation; or

(9) Soil movement resulting from blasting.

Whether or not caused by natural or manmade activities; unless direct loss by:

(1) Fire; or

(2) Explosion;

Ensues and then we will pay only for the ensuing loss.

This exclusion does not apply to loss by theft.

E. Paragraph B.1.g. Water, Exclusion is replaced by the following exclusion:

g. Water

(1) Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);

(2) Mudslide or mudflow;

- (3) Water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump or related equipment;
- (4) Water under the ground surface pressing on, or flowing or seeping through:
 - (a) Foundations, walls, floors or paved surfaces;
 - (b) Basements, whether paved or not; or
 - (c) Doors, windows or other openings; or
- (5) Waterborne material carried or otherwise moved by any of the water referred in Paragraph (1), (3) or (4) above, or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage.

F. The first two paragraphs under A.5. Coverage Extensions are deleted and replaced by the following:

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, Agreed Value, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

G. Covered Causes of Loss for this Coverage Part are amended as follows:

- 1. In the Causes of Loss - Basic, under **B. Exclusions**, paragraph **2.c.** is replaced with the following exclusion:

- c. Leakage or discharge of water or steam from any part of a system or appliance containing water or steam (other than an Automatic Sprinkler System), unless the leakage or discharge occurs because the system or appliance was damaged by a Covered Cause of Loss. But we will not pay for loss or damage caused by or resulting from continuous or repeated seepage or leakage of water or steam, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more. In the event this exclusion applies, we will not pay for any damages sustained starting from the first day the continuous or repeated seepage or leakage of water or steam, or the presence or condensation of humidity, moisture or vapor began.

2. In the Causes of Loss - Broad, under A. Covered Causes Of Loss, paragraph 14.a.(3) is replaced with the following exclusion:

- (3) Loss or damage caused by or resulting from continuous or repeated seepage or leakage of water or steam, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more. In the event this exception applies, we will not pay for any damages sustained starting from the first day the continuous or repeated seepage or leakage of water or steam, or the presence or condensation of humidity, moisture or vapor began.

3. In the Causes of Loss - Special, under B. Exclusions, paragraph 2.f. is replaced with the following exclusion:

- f. Continuous or repeated seepage or leakage of water or steam, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more. In the event this exclusion applies, we will not pay for any damages sustained starting from the first day the continuous or repeated seepage or leakage of water or steam, or the presence or condensation of humidity, moisture or vapor began.

H. In the Causes Of Loss - Broad Form and Causes of Loss - Special Form the following is added to Additional Coverage - Collapse:

This Additional Coverage - Collapse, does not apply to plumbing system, or any part of the plumbing system, whether above or below the ground, when the plumbing system is:

- a. Collapsed;
 - b. In danger of collapsing or caving in; or
 - c. Separated from another part of the system;
- due to:

- a. Age, obsolescence, wear, tear;
- b. Fading, oxidization, weathering;
- c. Deterioration, decay, marring, delamination, crumbling, settling, cracking;
- d. Shifting, bulging, racking, sagging, bowing, bending, leaning;
- e. Shrinkage, expansion, contraction, bellying, corrosion; or
- f. Any other age or maintenance related issue.

However, this Additional Coverage - Collapse will not apply to that part of a building's plumbing system damaged by an abrupt collapse of a building insured under this policy, or abrupt collapse of any part of building insured under this policy.

For purposes of this Additional Coverage - Collapse, a plumbing system includes a septic system.

- I. The following provision applies when a Coinsurance percentage is shown in the Declarations:

Florida law states as follows:

Coinsurance contract: The rate charged in this policy is based upon the use of the coinsurance clause attached to this policy, with the consent of the Insured.

- J. The following is added:

If windstorm is a Covered Cause of Loss and loss or damage to Covered Property is caused by or results from windstorm, the following exclusion applies in:

- 1. Broward County;
- 2. Miami-Dade County;
- 3. Martin County;
- 4. Monroe County;
- 5. Palm Beach County; and
- 6. All the areas east of the west bank of the Intracoastal Waterway in the counties of:
 - a. Indian River; and
 - b. St. Lucie.

Windstorm Exterior Paint And Waterproofing Exclusion

We will not pay for loss or damage caused by windstorm to:

- 1. Paint; or
- 2. Waterproofing material;

applied to the exterior of buildings unless the building to which such loss or damage occurs also sustains other loss or damage by windstorm in the course of the same storm event. But such coverage applies only if windstorm is a Covered Cause of Loss.

When loss or damage to exterior paint or waterproofing material is excluded, we will not include the value of paint or waterproofing material to determine:

- a. The amount of the Windstorm or Hail Deductible; or
- b. The value of Covered Property when applying the Coinsurance Condition.

K. Sinkhole Collapse Coverage Removed

Sinkhole Collapse coverage is removed, as indicated in Paragraphs **K.1.** through **K.3.**, and coverage for Catastrophic Ground Cover Collapse is added instead as set forth in Paragraph **L.**

- 1. In the Causes Of Loss - Basic Form, Sinkhole Collapse is deleted from the Covered Causes of Loss and sinkhole collapse is no longer an exception to the Earth Movement Exclusion.
- 2. In the Causes Of Loss - Broad Form, Sinkhole Collapse is deleted from the Covered Causes of Loss and from the Additional Coverage - Collapse; and sinkhole collapse is no longer an exception to the Earth Movement Exclusion.
- 3. In the Causes Of Loss - Special Form, Sinkhole Collapse is deleted from the "specified causes of loss" and is no longer an exception to the Earth Movement Exclusion.

Further, this Coverage Part does not insure against Sinkhole Loss as defined in Florida law unless an endorsement for Sinkhole Loss is made part of this policy. However, if Sinkhole Loss causes Catastrophic Ground Cover Collapse, coverage is provided for the resulting Catastrophic Ground Cover Collapse even if an endorsement for Sinkhole Loss is not made part of this policy.

- L. The following is added to this Coverage Part as a Covered Cause of Loss. In the Causes Of Loss - Special Form, the following is also added as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage - Collapse.

Catastrophic Ground Cover Collapse

We will pay for direct physical loss or damage to Covered Property caused by or resulting from Catastrophic Ground Cover Collapse, meaning geological activity that results in all of the following:

- 1. The abrupt collapse of the ground cover;
- 2. A depression in the ground cover clearly visible to the naked eye;
- 3. "Structural damage" to the building, including the foundation; and
- 4. The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a Catastrophic Ground Cover Collapse.

The **Earth Movement** Exclusion and the **Collapse** Exclusion do not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse

does not increase the applicable Limit of Insurance. Regardless of whether loss or damage attributable to Catastrophic Ground Cover Collapse also qualifies as Sinkhole Loss or Earthquake (if either or both of those causes of loss are covered under this Coverage Part), only one Limit of Insurance will apply to such loss or damage.

M. The following applies to the Additional Coverage - Civil Authority under the Business Income (And Extra Expense) Coverage Form:

1. The Additional Coverage - Civil Authority includes a requirement that the described premises are not more than one mile from the damaged property. With respect to described premises located in Florida, such one-mile radius does not apply.
2. The Additional Coverage - Civil Authority is limited to a coverage period of up to four weeks. With respect to described premises located in Florida, such four-week period is replaced by a three-week period.
3. Civil Authority coverage is subject to all other provisions of that Additional Coverage.

N. Duties In The Event Of Loss Or Damage, Loss Condition is replaced by the following:

Duties In The Event of Loss Or Damage

In case of a loss to Covered Property, you must see that the following are done:

- a. Give prompt notice to us or your insurance agent;

- c. Notify the police if a law may have been broken, and provide the incident number and, if we request, a copy of the report;
- d. Protect the property from further damage. The following must be performed:
 - (1) Take reasonable emergency measures that are necessary to protect the Covered Property from further damage, as provided under Additional Coverages, Reasonable Emergency Measures.
A reasonable measure under d.(1) may include permanent repair when necessary to protect the Covered Property from further damage or to prevent unwanted

entry to the property. To the degree reasonably possible, the damaged property must be retained for us to inspect; and

- (2) Keep an accurate record of repair expenses;
- e. Cooperate with us in the investigation of a claim;
 - f. If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible;

 - (2) Permit us to take samples of damaged and undamaged property for inspection, testing and analysis and permit us to make copies from your books and records;
 - (3) You or any insured must:

 - (a) Submit to examinations under oath and recorded statements, while not in the presence of any other insured; and
 - (b) Sign the same.
 - i. Send to us, within 60 days after our request, your signed, sworn proof of loss which sets forth, to the best of your knowledge and belief:
 - (1) The time and cause of loss;

liens on the property;

- (4) Changes in title or occupancy of the property during the term of the policy;
- (5) Specifications of damaged buildings and detailed repair estimates; and
- (6) The inventory of damaged personal property described in **g.** above.

j. A claim or reopened claim for loss or damage caused by any peril is barred unless notice of claim is given to us in accordance with the terms of this policy within one (1) year after the date of loss.

A supplemental claim is barred unless notice of the supplemental claim is given to us within eighteen (18) months after the date of loss.

O. Loss Payment Condition dealing with the number of days within which we must pay for covered loss or damage is replaced by the following:

g. Provided you have complied with all the terms of this Coverage Part, we will pay for covered loss or damage upon the earliest of the following:

- (1) Within 20 days after we receive the sworn proof of loss and reach written agreement with you;
- (2) Within 30 days after we receive the sworn proof of loss and:
 - (a) There is an entry of a final judgment; or
 - (b) There is a filing of an appraisal award or a mediation settlement with us; or
- (3) Within 60 days of receiving notice of an initial, reopened or supplemental claim, unless we deny the claim during that time or factors beyond our control reasonably prevent such payment. If a portion of the claim is denied, then the 60-day time period for payment of claim relates to the portion of the claim that is not denied.

Paragraph (3) applies only to the following:

- (a) A claim under a policy covering residential property;
- (b) A claim for building or contents coverage if the insured structure is 10,000 square feet or less and the policy covers only locations in Florida; or
- (c) A claim for contents coverage under a tenant's policy if the rented premises are 10,000 square feet or less and the policy covers only locations in Florida.

P. The following are added to **E. Loss Conditions:**

Salvage

We reserve the right to recover and acquire ownership of any property damaged due to a covered loss and which has been replaced under

the terms and conditions of this policy.

If we permit you to keep the damaged Covered Property after a loss, we will reduce the amount of the loss proceeds payable to you under the policy by the value of the salvage.

No assignment of claim benefits, regardless of whether made before loss or after loss, shall be valid in this policy.

Q. Paragraphs **1.c.(1)** and **1.c.(2) Agreed Value**, Optional Coverages, is replaced by the following:

- (1) On or after the inception of the Policy Period shown in the Declarations; and
- (2) Before the expiration of the Policy Period shown in the Declarations.

R. The following are added to **H. Definitions:**

"Structural damage" means a covered building, regardless of the date of its construction, has experienced the following.

- a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;
- b. FLORIDA – SINKHOLE LOSS COVERAGE

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM

SCHEDULE*

Premises Number	Building Number
*Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

With respect to the location(s) indicated in the Schedule, the following provisions apply:

- A.** The following is added to this Coverage Part as a Covered Cause of Loss. In the forms which address "specified causes of loss", the following is also added as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage – Collapse.

"Sinkhole Loss", meaning loss or damage to Covered Property when "structural damage" to the "covered building", including the foundation, is caused by settlement or systematic weakening of the earth supporting the "covered building", only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.

- B.** Coverage for direct physical loss caused by "Sinkhole Loss" that occurs during the policy period including the costs incurred to:

1. Stabilize the building (including land stabilization) and
2. Repair the foundation.

Such work must be in accordance with the requirements of Florida Insurance Law; and in accordance with the recommendations of our professional engineer and with notice to you. The professional engineer or professional geologist must be selected or approved by us.

"Sinkhole Loss" does not include:

1. Land or the replacement, rebuilding, restoration, or value of land except as provided under **B.1.** above and in accordance with the recommendations of our professional engineer;

2. Sinking or collapse of land into man-made underground cavities; or
3. Earthquake.

Property Not Covered:

1. Any structures that are attached to the "covered building", including but not limited to:
 - a. Driveways, sidewalks, pavers, curbing, edging;
 - b. Patios, porches and decks;
 - c. Swimming pools and their decking;
 - d. Screened enclosures of any type of construction;
 - e. Greenhouses;
 - f. Barns, storage buildings or sheds;
 - g. Gazebos, pergolas;
 - h. Irrigation systems whether above or below the ground;
 - i. Fences;
 - j. Flagpoles;
 - k. Satellite receivers or antennas.
2. Water wells, water storage tanks, pumping equipment, plumbing from water well to the "covered building", water conditioning and/or filtration systems; any other type of well or water storage tank is not covered unless the systems are required for legal habitation of the "covered building" and there is "structural damage" to the "covered building".
- C.** Upon receipt of a claim for a sinkhole loss, we will inspect your property to determine if there is "structural damage" that may be a result of "Sinkhole Loss".

However, until you enter into a contract for performance of building stabilization and/or foundation repair in accordance with the recommendations of the professional engineer as set forth in a report from us:

1. We will not pay for underpinning or grouting or any other repair technique performed below the existing foundation of the building; and
2. Our payment for "Sinkhole Loss" to Covered Property may be limited to the actual cash value of the loss to such property.

You must enter into a contract for the performance of building stabilization and/or foundation repair in accordance with the aforementioned recommendations, within 90 days after we notify you that there is coverage for your "Sinkhole Loss." This time period is tolled if either party invokes the "neutral evaluation" process, and begins again 10 days after the conclusion of the "neutral evaluation". After you have entered into such contract, we will pay the amounts necessary to begin and perform such repairs as the work is performed and the expenses are incurred.

However, if the professional engineer determines, prior to your entering into the aforementioned contract or prior to the start of repair work, that the repairs will exceed the applicable Limit of Insurance, we will pay only the remaining portion of the applicable Limit of Insurance upon such determination. The most we will pay for the total of all "Sinkhole Loss", including building and land stabilization and foundation repair, is the applicable Limit of Insurance on the affected building.

The stabilization and all other repairs to the Covered Property must be completed within 12 months after entering into the contract for the performance of these repairs, unless:

1. There is a mutual agreement between you and us;
 2. The claim is involved with the "neutral evaluation" process;
 3. The claim is in litigation; or
 4. The claim is under appraisal or mediation.
- D. With respect to coverage provided by this endorsement, the **Earth Movement** Exclusion and the **Collapse** Exclusion do not apply.
- E. With respect to a claim for alleged "Sinkhole Loss", the following provision is added:

Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for land stabilization and repair of property, or if we deny your claim, we will notify you of your right to participate in a "neutral evaluation" program administered by the Florida Department of Financial Services (hereinafter referred to as the Department). The "neutral evaluation" process will supersede the mediation process provided in this policy.

Participation in the "neutral evaluation" program does not change your right to file suit against us in accordance with the Legal Action Against Us Condition in this policy, except that the time for filing suit is extended for a period of 60 days following the conclusion of the "neutral evaluation" process or five years, whichever is later.

The neutral evaluator" must be allowed reasonable access to the interior and exterior of the Covered Property to be evaluated or for which a claim has been made. Any reports initiated by you, or an agent of you, confirming a "Sinkhole Loss" or disputing another sinkhole report regarding the Covered Property must be provided to the "neutral evaluator" before the evaluator's physical inspection of the Covered Property.

- F. Coverage for "Sinkhole Loss" under this endorsement does not increase the applicable Limit of Insurance. Even if loss or damage qualifies under, or includes, both Catastrophic Ground Cover Collapse (addressed elsewhere in this Coverage Part) and "Sinkhole Loss", only one Limit of Insurance will apply to such loss or damage.

G. Sinkhole Loss Deductible

A Sinkhole Loss Deductible applies to covered property, when loss is caused by "Sinkhole Loss." The amount of your Sinkhole Loss Deductible is shown in your Declarations and applies separately to:

1. Each building that sustains loss or damage;
2. The personal property at each building at which there is loss or damage to personal property;
3. Personal property in the open.

If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the personal property. We will not pay for "Sinkhole Loss" until the amount of "Sinkhole Loss" exceeds the sinkhole loss deductible. We will then pay the amount of "Sinkhole Loss" in excess of the sinkhole loss deductible, up to the applicable Limit(s) of Insurance.

When property is covered under the Coverage Extension for Newly Acquired Property: In determining the amount, if any, that we will pay for "Sinkhole Loss", we will deduct an amount equal to a percentage of the value(s) of the property at the time of loss. The applicable percentage for Newly Acquired Property is the highest percentage shown on the Declarations Page for any described premises.

A minimum deductible of \$1,000 applies.

No other deductible applies to "Sinkhole Loss."

- H. Notice of any claim for "Sinkhole Loss", must be provided to us in accordance with the terms of this policy within one year of the date of loss.
- I. If you have submitted a sinkhole claim without good faith grounds for submitting such claim and such claim and we obtain written certification that there is no "sinkhole activity", then you are required to reimburse us for 50% of the actual costs of the sinkhole analyses and services provided by a professional engineer or professional geologist to conduct testing to determine the cause of loss.
- J. As a precondition for accepting payment for a "Sinkhole Loss", you must file with the county clerk of court a copy of any sinkhole report which was prepared on your behalf or at your request. You will bear the costs of filing and recording the sinkhole report.
- K. You may not accept a "rebate" from any person performing repairs for "Sinkhole Loss" covered under this endorsement. If you receive a "rebate", coverage under this endorsement is void and you must refund the amount of the "rebate" to us. "Rebate" means a remuneration, payment, gift, discount, or transfer of any item of value to the insured by or on behalf of a person performing repairs as an incentive or inducement to obtain repairs performed by that person.
- L. The following definitions are added with respect to the coverage provided under this endorsement:
1. "Covered building" means the Building Property at the insured location that is listed on the Schedule or Declarations. This definition does not extend to any structures that are attached to the livable square footage of this stand-alone structure, unless the structure is under the same roofline or foundation line and depth as the "covered building".
 2. "Structural damage" means a "covered building", regardless of the date of its construction, has experienced the following:
 - a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
 - b. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" and prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
 - c. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
 - d. Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
 - e. Damage occurring on or after October 15, 2005, that qualifies as substantial structural damage as defined in the Florida Building Code.
3. "Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.
 4. "Primary structural system" means an assemblage of "primary structural members".
 5. "Neutral evaluation" means the alternative procedure for the resolution process of disputed "sinkhole" insurance claims.
 6. "Neutral evaluator" means a "professional engineer" or a "professional geologist" who has completed a course of study in alternative dispute resolution designed or approved by the Department for use in the "neutral evaluation" process and who is determined by the Department to be fair and impartial.
 7. "Professional engineer" means a person who has a bachelor's degree or higher in engineering. A "professional engineer" must also have experience and expertise in the identification of "sinkhole activity" as well as other potential causes of "structural damage".

States(s)	Coverage Form, Coverage Part Or Policy
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

- A.** The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

CERTIFIED ACT OF TERRORISM EXCLUSION

- C. Exception Covering Certain Fire Losses**

The following exception to the exclusion in Paragraph B. applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

FLORIDA CHANGES MEDIATION OR APPRAISAL AND NEUTRAL EVALUATION

This endorsement modifies insurance provided under the following (if attached to this policy):

BUILDERS RISK COVERAGE FORM (COMMERCIAL PROPERTY COVERAGE PART)
BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM
CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM
STANDARD PROPERTY POLICY
BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

- A.** With respect to a loss to commercial residential property, the following replaces the **Appraisal Condition**:

MEDIATION OR APPRAISAL

If we and you disagree on the value of the property or the amount of loss, either may request:

- 1.** A mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. The loss amount must be \$500 or more, prior to application of the deductible; or there must be a difference of \$500 or more between the loss settlement amount we offer and the loss settlement amount that you request. The settlement in the course of mediation is binding only if both parties agree, in writing, on a settlement, and you have not rescinded the settlement within 3 business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the mediator's fee for that rescheduled conference. However, if we fail to appear at a mediation conference, we will pay your actual cash expenses you incur in attending the conference and also pay the mediator's fee for the rescheduled conference.

- 2.** If you and we fail to agree on the amount of any loss, we can demand that the amount of the loss be set by appraisal. Our demand for appraisal must be in writing. If we demand appraisal:

- (1)** Each party must select a competent, disinterested appraiser and notify the other party of the appraiser's identity within 15 days of your receipt of our

written demand for appraisal. By that same deadline, you and us must provide to each other a written, itemized list of all disputes as to the amount of loss, identifying separately each item being disputed. The appraisal will apply only to those disputes on the amount of loss identified in writing by the parties subject to paragraph **(7)** below. If you dispute the amount set by us for an item, but do not identify that dispute in the required list, the amount of the loss for that item will be the amount previously set by us.

- (2)** The appraisers will then attempt to set the amount of the loss of each item in dispute as specified by each party. If the appraisers agree on all items, they will jointly submit to each party a written report of agreement signed by them. In all instances the written report of agreement must be itemized and state separately the actual cash value, replacement cost, and if applicable, the market value of each item submitted by the parties as set forth in paragraph **(1)**. A written report of agreement that meets these requirements will constitute the appraisal. The appraisal will set the amount of the loss for each properly submitted item in dispute and will be binding upon you and us.

A written report of agreement that does not itemize and resolve all disputes submitted by the parties pursuant to paragraph **(1)** does not constitute an appraisal and is not binding upon you and us. In such a case, the matter must be returned to the appraisers for completion.

In the event the appraisers submit a written report that includes items not submitted pursuant to paragraph **(1)**, such additional items have no effect and will be disregarded. If the written report

otherwise meets the requirement of an appraisal, it will be binding upon you and us as to the items properly submitted in writing by you and us. If the written report does not otherwise meet the requirements of an appraisal, the matter must be returned to the appraisers for completion.

- (3) If the two appraisers fail to agree on the submitted disputes within 20 days, unless the period of time is extended by mutual agreement, they will select a competent, disinterested umpire and will submit their differences to the umpire. If the appraisers are unable to agree upon an umpire within 5 days, you or we may make a written application for a judge of a court of record in the same state and county (or city if the city is not within a county) where the premises described in the Declarations is located to select an umpire.

If the umpire reaches an agreement with one of the appraisers on all items, they will jointly submit to each party a written report of agreement signed by them. In all instances the written report of agreement must be itemized and state separately the actual cash value, replacement cost, and if applicable, the market value of each item in dispute and address all disputes submitted by the parties pursuant to paragraph (1). A written report of agreement that meets these requirements will constitute the appraisal. The appraisal will set the amount of the loss for each properly submitted item in dispute and will be binding upon you and us.

A written report of agreement that does not itemize and resolve all disputes submitted by the parties pursuant to paragraph (1) does not constitute an appraisal and is not binding upon you and us. In such a case, the matter must be returned to the appraisers and the umpire for completion.

In the event an appraiser and umpire submit a written report that includes items not submitted pursuant to paragraph (1), such additional items have no effect and will be disregarded. If the written report otherwise meets the requirement of an appraisal, it will be binding upon you and us as to the items properly submitted in writing by you and

us. If the written report does not otherwise meet the requirements of an appraisal, the matter must be returned to the appraisers and umpire for completion.

- (4) To qualify as an appraiser or umpire for a loss to property described in Coverage Part, a person must be one of the following and be licensed or certified as required by the applicable jurisdiction:
- (a) An engineer or architect with experience and training in building construction, repair, estimating, or investigation of the type of property damage in dispute;
 - (b) An adjuster or public adjuster with experience and training in estimating the type of property damage in dispute; or
 - (c) A contractor with experience and training in the construction, repair, and estimating of the type of property damage in dispute.
- (5) A person may not serve as an appraiser or umpire if that person, any employee of that person, that person's employer, or any employee of their employer has:
- (a) A familial relationship within the third degree between the umpire or appraiser and a party or a representative of a party;
 - (b) Previously represented a party in a professional capacity in the same claim or matter involving the same property;
 - (c) Represented another person in a professional capacity on the same or a substantially related matter that includes the claim, the same property or an adjacent property, and the other person's interests are materially adverse to the interests of a party; or a financial interest in the outcome of the claim at issue in the appraisal.
- (6) Each party will be responsible for the compensation of their selected appraiser. Reasonable expenses of the appraisal and the reasonable compensation of the umpire will be paid equally by you and us.
- (7) Appraisal is available only to determine the amount of the loss of each item in dispute. Appraisal of the amount of loss will not include determinations of causation unless we include the

causation issue in its itemized list of disputes under paragraph (1). A written report of agreement that does not determine causation when required by us does not constitute an appraisal and is not binding upon you and us. In such a case, the matter must be returned to the appraisers for completion. If we do not identify causation in its list of disputes, the appraisers and the umpire will have no authority to decide questions of causation and any such findings in the appraisal have no effect and will be disregarded. The appraisers and the umpire have no authority to decide:

- (a) Any other questions of fact;
- (b) Questions of law;
- (c) Questions of coverage;
- (d) Other contractual issues; or
- (e) To conduct appraisal on a class-wide basis.

(8) Appraisal is a non-judicial proceeding and does not provide for or require arbitration. Neither party will be awarded attorney fees. The appraisal award may not be entered as a judgment in a court.

(9) We may not demand appraisal after we bring suit or action against you relating to the amount of loss.

B. With respect to a claim for alleged Sinkhole Loss, the following provision is added:

Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for land stabilization and repair of property, or if we deny your claim, we will notify you of your right to participate in a neutral evaluation program administered by the Florida Department of Financial Services (hereinafter referred to as the Department). For alleged Sinkhole Loss to commercial residential or farm residential properties, this program applies instead of any mediation procedure set forth elsewhere in this policy, but does not invalidate the Appraisal Condition.

You or we may file a request with the Department for neutral evaluation; the other party must comply with such request. We will pay reasonable costs associated with the neutral evaluation, regardless of which party makes the request. But if a party chooses to hire a court reporter or stenographer to contemporaneously record and document the neutral evaluation, that party must bear the costs of those services. The neutral evaluator will be selected from a list maintained by the Department. The recommendation of the neutral evaluator will not be binding on you or us.

Participation in the neutral evaluation program does not change your right to file suit against us in accordance with the Legal Action Against Us Condition in this policy, except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later.

WINDSTORM OR HAIL DEDUCTIBLE

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM
CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM
STANDARD PROPERTY POLICY

SCHEDULE

Premises Number	Building Number	Windstorm Or Hail Deductible
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

The Windstorm or Hail Deductible, as shown in the Schedule and set forth in this endorsement, applies to covered loss or damage caused directly or indirectly by Windstorm or Hail. This Deductible applies to each occurrence of Windstorm or Hail.

Nothing in this endorsement implies or affords coverage for any loss or damage that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood Coverage Endorsement (or if you have a flood insurance policy), a separate Flood Deductible applies to loss or damage attributable to Flood, in accordance with the terms of that endorsement or policy.

As used in this endorsement, the terms "specific insurance" and "blanket insurance" have the following meanings: Specific insurance covers each item of insurance (for example, each building or personal property in a building) under a separate Limit of Insurance. Blanket insurance covers two or more items of insurance (for example, a building and personal property in that building, or two buildings) under a single Limit of Insurance. Items of insurance and corresponding Limit(s) of Insurance are shown in the Declarations.

WINDSTORM OR HAIL DEDUCTIBLE CALCULATIONS

A. Calculation Of The Deductible – All Policies

1. A Deductible is calculated separately for, and applies separately to:

- a. Each building that sustains loss or damage;
- b. The personal property at each building at which there is loss or damage to personal property;
- c. Personal property in the open.

If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the personal property.

2. We will not pay for loss or damage until the amount of loss or damage exceeds the applicable Deductible. We will then pay the amount of loss or damage in excess of that Deductible, up to the applicable Limit of Insurance, after any reduction required by any of the following: Coinsurance Condition; Agreed Value Optional Coverage; any provision in a Value Reporting Form relating to full reporting or failure to submit reports.
3. When property is covered under the Coverage Extension for Newly Acquired Or Constructed Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the deductible shown in the Schedule for any described premises.

B. Calculation Of The Deductible – Specific Insurance

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the deductible as shown in the Schedule that is applicable to the property that has sustained loss or damage.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the deductible as shown in the Schedule applicable to the property that has sustained loss or damage. The value(s) to be used are the latest value(s) shown in the most recent Report of Values on file with us.

However, if the deductible shown in the Schedule is a percentage and:

- a. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.

EXAMPLES – APPLICATION OF DEDUCTIBLE

EXAMPLE #1 – SPECIFIC INSURANCE (B.1.)

The amount of loss to the damaged building is \$60,000.

The value of the damaged building at time of loss is \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the Coinsurance requirement is \$80,000 (80% of \$100,000).

The **actual** Limit of Insurance on the damaged building is \$70,000.

The Deductible is 1%.

Step (1): $\$70,000 \div \$80,000 = .875$

Step (2): $\$60,000 \times .875 = \$52,500$

Step (3): $\$70,000 \times 1\% = \700

Step (4): $\$52,500 - \$700 = \$51,800$

The most we will pay is \$51,800. The remainder of the loss, \$8,200, is not covered due to the Coinsurance penalty for inadequate insurance (Steps (1) and (2)) and the application of the Deductible (Steps (3) and (4)).

EXAMPLE #2 – SPECIFIC INSURANCE (B.1.)

The amounts of loss to the damaged property are \$60,000 (Building) and \$40,000 (Personal Property in building).

The value of the damaged building at time of loss is \$100,000. The value of the personal property in that building is \$80,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the Coinsurance requirement are \$80,000 (80% of \$100,000) for the building and \$64,000 (80% of \$80,000) for the personal property.

The **actual** Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the personal property (therefore no Coinsurance penalty).

The Deductible is 2%.

BUILDING

Step (1): $\$80,000 \times 2\% = \$1,600$

Step (2): $\$60,000 - \$1,600 = \$58,400$

PERSONAL PROPERTY

Step (1): $\$64,000 \times 2\% = \$1,280$

Step (2): $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120. The portion of the total loss not covered due to application of the Deductible is \$2,880.

The term Covered Cause of Loss includes the Additional Coverage Equipment Breakdown as described and limited below. Without an “accident” or “electronic circuitry impairment”, there is no Equipment Breakdown Coverage.

1. We will pay for direct physical damage to Covered Property that is the direct result of an “accident” or “electronic circuitry impairment”. We will consider “electronic circuitry impairment” to be physical damage to “covered equipment”.
2. Unless otherwise shown in a “schedule”, the following coverages also apply to the direct result of an “accident” or “electronic circuitry impairment”. However, with respect to coverage **2.g. Service Interruption** below and any Dependent Properties coverage provided by this coverage part, coverage will apply only to the direct result of an “accident” and will not apply to the direct result of an “electronic circuitry impairment”. These coverages do not provide additional amounts of insurance.

a. Business Income and Extra Expense

- (1) Any insurance provided under the coverage part for Business Income or Extra Expense is extended to the coverage provided by this endorsement. However, if a deductible is shown in a “schedule”, then with respect to this endorsement only, the “period of restoration” will begin immediately after the “accident” or “electronic circuitry impairment”, and the deductible shown in the “schedule” will apply.
- (2) The most we will pay for loss or expense under this coverage is the applicable limit for Business Income and Extra Expense, unless otherwise shown in a “schedule”.

b. Data Restoration

- (1) We will pay for your reasonable and necessary cost to research, replace and restore lost “data”.
- (2) The most we will pay for loss or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$100,000 unless otherwise shown in a “schedule”.

c. Expediting Expenses

With respect to your damaged Covered Property, we will pay the reasonable extra cost to:

- (1) Make temporary repairs; and
- (2) Expedite permanent repairs or permanent replacement.

d. Hazardous Substances

- (1) We will pay your additional cost to repair or replace Covered Property because of contamination by a “hazardous substance”. This includes the additional expenses to clean up or dispose of such property.
- (2) This does not include contamination of “perishable goods” by refrigerant, including but not limited to ammonia, which is addressed in **2.h.(1)(b)** below. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no “hazardous substance” been involved.
- (3) The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$100,000 unless otherwise shown in a “schedule”.

e. Off Premises Equipment Breakdown

- (1)** We will pay for physical damage to transportable “covered equipment” that, at the time of the “accident” or “electronic circuitry impairment”, is not at a covered location. As respects this Off Premises Equipment Breakdown coverage only, the “accident” or “electronic circuitry impairment” may occur in any country except one in which the United States has imposed sanctions, embargoes or similar restrictions on the provision of insurance.
- (2)** We will also pay for your reasonable and necessary cost to research, replace and restore lost “data” contained within “covered equipment” as described under **(1)** above. This amount may not exceed the limit applicable to Data Restoration coverage.
- (3)** The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, and Data Restoration as described in **(2)** above is \$10,000 unless otherwise shown in a “schedule”.

f. Public Relations

- (1)** This coverage only applies if you have sustained an actual loss of Business Income covered under this endorsement.
- (2)** We will pay for your reasonable costs for professional services to create and disseminate communications, when the need for such communications arises directly from the interruption of your business. This communication must be directed to one or more of the following:
 - (a)** The media;
 - (b)** The public; or
 - (c)** Your customers, clients or members.

- (3)** Such costs must be incurred during the “period of restoration” or up to 30 days after the “period of restoration” has ended.
- (4)** The most we will pay for loss or expense under this coverage is \$5,000.

g. Service Interruption

- (1)** Any insurance provided for Business Income, Extra Expense, Data Restoration or Spoilage is extended to apply to

your loss, damage or expense caused by a failure or disruption of service. The failure or disruption of service must be caused by an “accident” to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord’s utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, Internet access, telecommunications services, “cloud computing services”, wide area networks or data transmission. The equipment must meet the definition of “covered equipment” except that it is not Covered Property.

- (2)** “Cloud computing services” must be provided by a professional provider with whom you have a contract.
- (3)** With respect to the Data Restoration portion of this Service Interruption coverage, coverage will also apply to “data” stored in the equipment of a provider of “cloud computing services”.
- (4)** Unless otherwise shown in a “schedule”, any insurance provided for Business Income or Data Restoration will not apply under this Service Interruption coverage unless the failure or disruption of service exceeds 24 hours immediately following the “accident”. If the interruption exceeds 24 hours, coverage will begin at the time of the disruption, and the applicable deductible will apply.
- (5)** The most we will pay in any “one equipment breakdown” for loss, damage or expense under this coverage is the applicable limit for Business Income, Extra Expense, Data Restoration or Spoilage, except that if a limit is shown in a “schedule” for Service Interruption, that limit will apply to Business Income and Extra Expense loss under this coverage.

h. Spoilage

- (1)** We will pay for:
 - (a)** Physical damage to “perishable goods” due to spoilage;
 - (b)** Physical damage to “perishable goods” due to contamination from the release of refrigerant, including but not limited to ammonia;

- (c) Any necessary expenses you incur to reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.
 - (2) If you are unable to replace the "perishable goods" before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the "perishable goods" at the time of the "accident" or "electronic circuitry impairment", less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Valuation condition.
 - (3) The most we will pay for loss, damage or expense under this coverage is \$100,000 unless otherwise shown in a "schedule".
3. EXCLUSIONS

All exclusions in the applicable Causes of Loss form apply except as modified below and to the extent that coverage is specifically provided by this endorsement.

a. The following exclusions are modified:

- (1) If the Causes of Loss -- Basic Form or Causes of Loss -- Broad Form applies, the following is added to Exclusion **B.2.**:

Depletion, deterioration, corrosion, erosion, wear and tear, or other gradually developing conditions. However, if an "accident" or "electronic circuitry impairment" results, we will pay for the resulting loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

- (2) If the Causes of Loss -- Special Form applies, with respect to this endorsement only, the last paragraph of Exclusion **B.2.d.** is deleted and replaced with the following:

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in an "accident" or "electronic circuitry impairment", we will pay for the loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

b. The following exclusions are added with respect to this endorsement only:

- (1) We will not pay for loss, damage or expense caused directly or indirectly by

any of the following, whether or not caused by or resulting from an "accident" or "electronic circuitry impairment":

- (a) Fire, including smoke from a fire;
 - (b) Explosion of gas or unconsumed fuel within the furnace of any boiler or fired vessel or within the passages from that furnace to the atmosphere;
 - (c) Any other explosion, except as specifically covered under this endorsement;
 - (d) Any earth movement, including but not limited to earthquake, subsidence, sinkhole collapse, landslide, earth sinking, tsunami or volcanic action;
 - (e) Flood, surface water, waves, tides, tidal waves, overflow of any body of water, or their spray, all whether driven by wind or not; mudslide or mudflow; or water that backs up or overflows from a sewer, drain or sump. However, if electrical "covered equipment" requires drying out because of the above, we will pay for the direct expenses of such drying out subject to the applicable Limit of Insurance and deductible for Building or Business Personal Property, whichever applies; or
 - (f) Vandalism.
- (2) Coverage under this endorsement does not apply to an "accident" or "electronic circuitry impairment" caused by or resulting from:
- (a) Lightning;
 - (b) Windstorm or hail. However this exclusion does not apply when:
 - i. "Covered equipment" located within a building or structure suffers an "accident" or "electronic circuitry impairment" that results from wind-blown rain, snow, sand or dust; and
 - ii. The building or structure did not first sustain wind or hail damage to its roof or walls through which the rain, snow, sand or dust entered.
 - (c) Smoke; aircraft or vehicles; riot or civil commotion; sprinkler leakage; elevator collision;

- (d) Breakage of glass; falling objects; weight of snow, ice or sleet; freezing (caused by cold weather); collapse or molten material;
 - (e) A hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel, or an electrical insulation breakdown test of any type of electrical equipment; or
 - (f) Water or other means used to extinguish a fire.
 - (3) With respect to Business Income, Extra Expense and Service Interruption coverages, we will also not pay for any increase in loss resulting from an agreement between you and your customer or supplier.
 - (4) We will not pay for loss, damage or expense caused directly or indirectly by the following, whether or not caused by or resulting from an "accident" or "electronic circuitry impairment": Any "fungus", wet rot, dry rot or bacteria, including any presence, growth, proliferation, spread or any activity of "fungus", wet rot, dry rot or bacteria. This includes, but is not limited to, costs arising from clean up, removal, or abatement of such "fungus", wet rot, dry rot or bacteria. However, this exclusion does not apply to spoilage of personal property that is "perishable goods", to the extent that such spoilage is covered under Spoilage coverage.
 - (5) We will not pay for any loss or damage to animals.
- c. Exclusions **b.(2)(a), b.(2)(b), b.(2)(c)** and **b.(2)(d)** above shall not apply if:
 - (1) The excluded cause of loss occurs away from any covered location and causes an electrical surge or other electrical disturbance;
 - (2) Such surge or disturbance is transmitted through utility service transmission lines to the covered location and results in an "accident" or "electronic circuitry impairment"; and
 - (3) The loss, damage or expense caused by such surge or disturbance is not covered elsewhere under the policy.
- d. Any cause of loss set forth in exclusion **b.(2)(d)** above that is not a Covered Cause of Loss in this coverage part shall be excluded only as respects Service Interruption coverage.

4. DEFINITIONS

The following definitions are added with respect to this endorsement only:

a. "Accident"

- (1) "Accident" means a fortuitous event that causes direct physical damage to "covered equipment". The event must be one of the following:

- (a) Mechanical breakdown, including rupture or bursting caused by centrifugal force;
- (b) Artificially generated electrical current, including electric arcing, that disturbs electrical devices, appliances or wires;
- (c) Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;
- (d) Loss or damage to steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment; or
- (e) Loss or damage to hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.

- (2) None of the following is an "accident":

- (a) Defect, programming error, programming limitation, computer virus, malicious code, loss of "data", loss of access, loss of use, loss of functionality or other condition within or involving "data" or "media" of any kind; or
- (b) Misalignment, miscalibration, tripping off-line, or any condition which can be corrected by resetting, tightening, adjusting or cleaning, or by the performance of maintenance.

However, if an "accident" results, we will pay for the resulting loss, damage or expense caused by that "accident".

b. "Boilers and vessels" means:

- (1) Any boiler, including attached steam, condensate and feedwater piping; and
- (2) Any fired or unfired pressure vessel subject to vacuum or internal pressure other than the static pressure of its contents.

This term does not appear elsewhere in this endorsement, but may appear in a "schedule".

- c. "Cloud computing services" means professional, on-demand, self-service data storage or data processing services provided through the Internet or over telecommunications lines. This includes services known as IaaS (infrastructure as a service), PaaS (platform as a service), SaaS (software as a service) and NaaS (network as a service). This includes business models known as public clouds, community clouds and hybrid clouds. "Cloud computing services" include private clouds if such services are owned and operated by a third party.
- d. "Covered equipment"
 - (1) "Covered equipment" means, unless otherwise specified in a "schedule", Covered Property:
 - (a) That generates, transmits or utilizes energy; or
 - (b) Which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.

"Covered equipment" may utilize conventional design and technology or new or newly commercialized design and technology.
 - (2) None of the following is "covered equipment":
 - (a) Structure, foundation, cabinet or compartment;
 - (b) Insulating or refractory material;
 - (c) Sewer piping, buried vessels or piping, or piping forming a part of a sprinkler or fire suppression system;
 - (d) Water piping other than boiler feedwater piping, boiler condensate return piping or water piping forming a part of a refrigerating or air conditioning system;
 - (e) "Vehicle" or any equipment mounted on a "vehicle";
 - (f) Satellite, spacecraft or any equipment mounted on a satellite or spacecraft;
 - (g) Dragline, excavation or construction equipment; or
 - (h) Equipment manufactured by you for sale.

- e. "Data" means information or instructions stored in digital code capable of being processed by machinery.
- f. "Electronic circuitry" means microelectronic components, including but not limited to circuit boards, integrated circuits, computer chips and disk drives.
- g. "Electronic circuitry impairment"
 - (1) "Electronic circuitry impairment" means a fortuitous event involving "electronic circuitry" within "covered equipment" that causes the "covered equipment" to suddenly lose its ability to function as it had been functioning immediately before such event. This definition is subject to the conditions specified in (2), (3) and (4) below.
 - (2) We shall determine that the reasonable and appropriate remedy to restore such "covered equipment's" ability to function is the replacement of one or more "electronic circuitry" components of the "covered equipment".
 - (3) The "covered equipment" must be owned or leased by you, or operated under your control.
 - (4) None of the following is an "electronic circuitry impairment":
 - (a) Any condition that can be reasonably remedied by:
 - i. Normal maintenance, including but not limited to replacing expendable parts, recharging batteries or cleaning;
 - ii. Rebooting, reloading or updating software or firmware; or
 - iii. Providing necessary power or supply.
 - (b) Any condition caused by or related to:
 - i. Incompatibility of the "covered equipment" with any software or equipment installed, introduced or networked within the prior 30 days; or
 - ii. Insufficient size, capability or capacity of the "covered equipment".
 - (c) Exposure to adverse environmental conditions, including but not limited to change in temperature or humidity, unless such conditions result in an observable loss of functionality. Loss of warranty

shall not be considered an observable loss of functionality.

- h. "Hazardous substance" means any substance that is hazardous to health or has been declared to be hazardous to health by a governmental agency.
- i. "Media" means material on which "data" is recorded, such as solid state drives, hard disks, optical disks, flash drives, magnetic tapes or floppy disks.
- j. "One equipment breakdown" means: If an initial "accident" or "electronic circuitry impairment" causes other "accidents" or "electronic circuitry impairments", all will be considered "one equipment breakdown". All "accidents" or "electronic circuitry impairments" that are the result of the same "accident" or "electronic circuitry impairment" will be considered "one equipment breakdown".
- k. "Perishable goods" means personal property maintained under controlled conditions for its preservation, and susceptible to loss or damage if the controlled conditions change.
- l. "Production machinery" means any machine or apparatus that processes or produces a product intended for eventual sale. This includes all component parts of such machine or apparatus and any other equipment used exclusively with such machine or apparatus. However, "production machinery" does not mean any boiler, or fired or unfired pressure vessel.

This term does not appear elsewhere in this endorsement, but may appear in a "schedule".
- m. "Schedule" means the Equipment Breakdown Coverage Schedule.
- n. "Vehicle" means, as respects this endorsement only, any machine or apparatus that is used for transportation or moves under its own power. "Vehicle" includes, but is not limited to: car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.

However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a "vehicle".

- B.** The Building and Personal Property Coverage Form, Condominium Association Coverage Form, or Condominium Commercial Unit-Owners Coverage Form, whichever is applicable, is modified as follows.

The definitions stated above also apply to section B. of this endorsement.

1. DEDUCTIBLE

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a "schedule". If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, provision **D. DEDUCTIBLE** is deleted and replaced with the following:

a. Deductibles for Each Coverage

- (1) Unless the "schedule" indicates that your deductible is combined for all coverages, multiple deductibles may apply to any "one equipment breakdown".
- (2) We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.
- (3) If deductibles vary by type of "covered equipment" and more than one type of "covered equipment" is involved in any "one equipment breakdown", only the highest deductible for each coverage will apply.

b. Direct and Indirect Coverages

- (1) Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the "schedule".
- (2) Unless more specifically indicated in the "schedule":
 - (a) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss; and
 - (b) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.

c. Application of Deductibles

- (1) **Dollar Deductibles**
We will not pay for loss, damage or expense resulting from any "one equipment breakdown" until the amount of loss, damage or expense exceeds the applicable deductible shown in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible or

deductibles, up to the applicable Limit of Insurance.

(2) Time Deductible

If a time deductible is shown in the "schedule", we will not be liable for any loss occurring during the specified number of hours or days immediately following the "accident" or "electronic circuitry impairment". If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

(3) Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no "accident" or "electronic circuitry impairment" occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the "accident" or "electronic circuitry impairment" or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the "period of restoration". The number indicated in the "schedule" will be multiplied by the ADV as determined above. The result shall be used as the applicable deductible.

(4) Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indi-

cated minimum deductible, the minimum deductible will be the applicable deductible.

2. CONDITIONS

- a. The following conditions are in addition to the Conditions in the Building and Personal Property Coverage Form, Condominium Association Coverage Form, or Condominium Commercial Unit-Owners Coverage Form, whichever is applicable; the Commercial Property Conditions and the Common Policy Conditions.

(1) Suspension

Whenever "covered equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an "accident" or "electronic circuitry impairment" to that "covered equipment". This can be done by mailing or delivering a written notice of suspension to:

- (a)** Your last known address; or
- (b)** The address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment". If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

(2) Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

(3) Coinsurance

If a coinsurance percentage is shown in a "schedule" for specified coverages, the following condition applies. We will not pay for the full amount of your loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, we will determine what percentage this calculated product is compared to the applicable limit and apply that percentage

05305800000 ICF1046500 998694 LDEC D

to the gross amount of loss. We will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most we will pay. We will not pay for the remainder of the loss. Coinsurance applies separately to each insured location.

- b. As respects this endorsement only, the Valuation Condition in the Building and Personal Property Coverage Form, Condominium Association Coverage Form, or Condominium Commercial Unit-Owners Coverage Form, whichever is applicable, is deleted and replaced with the following:

Valuation

We will determine the value of Covered Property as follows:

- (1) Except as specified otherwise, our payment for damaged Covered Property will be the smallest of:
 - (a) The cost to repair the damaged property;
 - (b) The cost to replace the damaged property on the same site; or
 - (c) The amount you actually spend that is necessary to repair or replace the damaged property.
- (2) The amount of our payment will be based on the most cost-effective means to replace the function, capacity and remaining useful life of the damaged property. This may include the use of generic, used or reconditioned parts, equipment or property.
- (3) Except as described in (4) below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.
- (4) **Environmental, Safety and Efficiency Improvements**
If "covered equipment" requires replacement due to an "accident" or "electronic circuitry impairment", we will pay your additional cost to replace with equipment that is better for the environment, safer for people or more energy or water efficient than the equipment being replaced. However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with like kind and quality. This provision does not apply to the replacement of

component parts or to any property to which Actual Cash Value applies and does not increase any of the applicable limits.

- (5) The following property will be valued on an Actual Cash Value basis:
 - (a) Any property that does not currently serve a useful or necessary function for you;
 - (b) Any Covered Property that you do not repair or replace within 24 months after the date of the "accident" or "electronic circuitry impairment"; and
 - (c) Any Covered Property for which Actual Cash Value coverage is specified in a "schedule",
Actual Cash Value includes deductions for depreciation.
- (6) If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:
 - (a) The property was manufactured by you;
 - (b) The sales price of the property is less than the replacement cost of the property; or
 - (c) You are unable to replace the property before its anticipated sale.
- (7) Except as specifically provided for under Data Restoration coverage, "data" and "media" will be valued on the following basis:
 - (a) For mass-produced and commercially available software, at the replacement cost.
 - (b) For all other "data" and "media", at the cost of blank "media" for reproducing the records. We will not pay for "data" representing financial records based on the face value of such records.

The most we will pay for loss, damage or expense under this endorsement arising from any "one equipment breakdown" is the applicable Limit of Insurance in the Declarations unless otherwise shown in a "schedule". Coverage provided under this endorsement does not provide an additional amount of insurance.
